Patient Notice

LifePath Systems is the designated Behavioral Health Authority for Collin County. We operate as a unit of local government and a not-for-profit center. We receive federal, state, and local funding to provide essential mental health and substance use services to youth and adults throughout the county. LifePath has been in operation since 1986. LifePath's mission is to serve individuals and families impacted by behavioral health, intellectual or developmental challenges, resulting in stronger communities.

At this time, we must provide notice that Aminur Rahman, MD, will no longer be employed as a staff psychiatrist at LifePath Systems as of June 29, 2022. We wish him well in his future endeavors.

All assigned patients of Dr. Rahman will be reassigned to another LifePath Systems' prescriber. If you have questions about this process, please contact your assigned case manager or call our offices at 972-422-5939 and ask to speak to a supervisor. If you need a copy of your medical record, please contact our Medical Records department at 972-422-5939. If you are transferring to an external medical provider and would like for us to forward your medical record, please contact us at 972-422-5939.

Thank you,

LifePath Systems
